

SUPERIOR'S SPILLAGE GOATS®

Revolutionizing Conveyor Maintenance with Nature's Clean-Up Crew!

- » **Cost Effective:** Reduces maintenance budgets by eliminating debris accumulation.
- » **Eco-Friendly:** No fuel or electricity needed, just occasional petting for encouragement.
- » **Multi-Terrain Capability:** Handle rugged conditions, steep inclines, and tight spaces.
- » **On-Site Refreshment:** Fresh milk for breaks, adding a wholesome perk to your workplace.
- » **24/7 Operation:** Trained to work in shifts to keep your site clean and safe.

Sell goat droppings as binder for concrete!
